Objective

Seeking opportunities to apply AI/ML and full-stack development skills to build impactful, data-driven software solutions while contributing to organizational growth.

Skills Summary

Languages: Python, Java, SQL, JavaScript, C

Frameworks: FastAPI, Flask, React.js, Node.js, Streamlit

Databases/Tools: MongoDB, Redis, Kafka, Docker, Git

AI/ML: Scikit-learn, NLP, Predictive Modeling, Azure ML

Soft Skills: Problem Solving, Team Collaboration, Communication, Adaptability

Education

Malla Reddy Engineering College for Women, Hyderabad

2023 – 2027

B.Tech in Artificial Intelligence and Machine Learning

CGPA: 9.18/10

Vandana Junior College

2021 – 2023

Intermediate (MPC)

990/1000

Govt. Boys High School, B.R. Bollaram

2021

SSC

GPA: 10.0/10

Projects

EduMentor – AI-Based Academic Risk Detection System

GitHub

Tech Stack: FastAPI, React, MongoDB, NLP

- Developed a full-stack academic analytics platform for student performance tracking.
- Built predictive models to identify academic risk levels and learning patterns.
- Designed APIs and dashboards for analytics and recommendation workflows.

CommerceMesh – Scalable E-commerce Platform

GitHub

Tech Stack: Flask, React, MongoDB, Redis, Kafka

- Built REST APIs for authentication, products, and order management.
- Integrated Redis caching and Kafka-based event-driven workflows.
- Optimized backend performance and database operations for scalability.

Internships

Azure ML Intern – Edunet Foundation

- Gained practical exposure to Azure Machine Learning workflows, model training, and deployment concepts.

Machine Learning Intern – Skillfield

- Worked on data preprocessing, model-building workflows, and machine learning fundamentals.

ServiceNow Virtual Internship Program

- Completed hands-on learning in ServiceNow fundamentals, workflows, and enterprise platform concepts.

Achievements

- Internal Smart India Hackathon (SIH) Participant.
- MSME Hackathon Participant.
- Techknow 2.0 24-Hour Hackathon Tech Summit Participant.

Certifications

- Python Essentials – Cisco Networking Academy.
- Introduction to Modern AI – Cisco Networking Academy.
- Apply AI: Analyze Customer Reviews – Cisco Networking Academy.
